ANTI-BULLYING POLICY

Aims

The aim of this policy is to provide a working document giving clear guidance to governors, staff, parents and pupils on strategies to prevent, reduce and respond to bullying, as well as how to work with the victims and perpetrators.

INTRODUCTION

We are committed to **protect** all members of our school community from being bullied by providing a **caring, friendly** and **safe** environment so that learning is completed in a relaxed and secure atmosphere.

Bullying is the wilful, conscious desire to hurt, threaten or frighten someone. Anti-bullying is when **everyone** in the school realises that bullying is unacceptable. **EVERYONE** has a part to play to **stop bullying**.

We will not accept bullying of any kind. We take bullying most seriously. Bullying can be from an individual or from a group but it is always intended to upset. We encourage respect for others through good manners, tolerance of differences and having the ability to work alongside all people. We encourage good behaviour and respect for others.

We are a TELLING school. This means that anyone who knows that bullying is happening is expected to let someone know so that the bullying will stop. We are also a **LISTENING** school and we are committed to **listen** to pupils, parents and staff who report issues of bullying and to take the concerns seriously. We want everyone to look after each other.

What is Bullying?

We define bullying as the behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or groups either physically or emotionally, including the use of social media to intend to hurt an individual or groups.

Bullying can be:

- **Emotional:** being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- **Physical:** pushing, kicking, hitting or using violence
- **Racist:** racial taunts, graffiti and gestures
- **Sexual:** unwanted physical contact or sexually abusive comments
- **Homophobic:** focussing on an issue of sexuality
- **Verbal:** name-calling, sarcasm, spreading rumours and teasing
- **Cyber:** all areas of internet, such as email and internet chat room misuse. Mobile threats using text messages and calls. Misuse of associated technology e.g. camera and video facilities
- **Alienation:** being isolated from an activity/group.
- **Discrimination:** the unjust treatment of individuals due to differences.

ROLES AND RESPONSIBILITIES

Creating a **safe environment is essential** for effective learning and ensures that all pupils' rights to a positive experience are met. Expectations of appropriate pupil behaviour must be made explicit. This requires a '**whole**' **school approach** which aims to develop a shared awareness and understanding so that a consistent approach to bullying will be taken. All members of the school community share the responsibility for preventing and stopping bullying.
