

Bloxwich Primary Football Team

The Primary School football has started and boys and girls from Years 5 and 6 are training hard every Thursday night after school.

There is a good mix of experienced players and children who have just started playing.

What is clear is that they all share a fantastic attitude to the game and each one of them tries their best to improve and develop new skills.

On Thursday 8th October we played our first match away to St Mary's The Mount Catholic School, with a score of 1-1, the team as a whole worked fantastically together, special mention goes to Billy Yardley for an outstanding performance and Kamran Ridgway for excellent attitude to the game. We have some home fixtures coming up, why not come and cheer us on! For the first time in about three years the school football team had a home cup match against Little Bloxwich academy.

The team showed a fantastic attitude and commitment in their recent match and it was pleasing to see how well they supported each other. The game was extremely one sided with Little Bloxwich C of E Primary as we won 12 nil! Our team were a credit to the academy as they showed their opponents incredible respect and great team spirit.

Primary Newsletter October 2015

Dear Parents,

We are now eight weeks into the Autumn Term and it is delightful to see that all our children, including Nursery and Reception, have settled well into the routine. A special welcome also goes to the children who have recently joined us from other schools.

What a busy half term we've had! It has been lovely to see so many of you supporting us in school. The Macmillan Coffee afternoon, Harvest Festival and Parents workshops have been so well attended and plans for further workshops are in place next half term.

I would also like to congratulate the Football team for starting their season so well and plans for other sporting teams are in place. Also look out for other activities and clubs both at lunchtime and after school for your child to come along to after the holiday.

Thank you for your continued support.
Have a good half term break.

Mrs Aulton

Attendance Challenge

Pupils at Bloxwich Lane site have been rewarded for their excellent attendance during the month of September. The new monthly attendance challenge was received with enthusiasm by all pupils who were eager to have their name entered into the prize draw. Twenty four pupils received a prize during our first attendance challenge assembly: Children are now looking forward to the October Attendance Challenge with the hope of winning.

Harvest Festival

Years 4 and 5 had the pleasure of presenting this year's Harvest Assembly to their parents and carers. The children spent a week researching the meaning of Harvest and Year 5 were responsible for writing their own parts. 5K focused on different types of food, such as pasta and bread, and wrote their own poems.

Year 4 spoke about the importance of Harvest and how lucky we are to have such a variety of food available to us. They also talked about their favourite fruits and vegetables. Finally, 5H discussed the world wide problem of food wastage. They explained how to reduce food wastage at home and talked about how supermarkets, such as Tesco's are also making a huge effort to reduce the amount of food wasted in England.

The children enthusiastically sang 'Conkers' and 'In My Trolley'. We are very grateful that so many parents and carers come to support the children, it was a very successful Harvest assembly. The Black Country Food Bank will be collecting all donations.

Macmillan Coffee Afternoon

On the 25th September Bloxwich Lane held their second successful Macmillan Coffee Morning and parents were invited to join their children in school to enjoy an afternoon of coffee and cake. The event raised an amazing £750, beating last years total by £135! On behalf of the staff, children and parent helpers we would like to thank you for all your donations for the charity. We think you will agree that this is an amazing achievement and demonstrates the overwhelming generosity within the community.
