Dear Parent/Carer

HMI Inspectors identify rapid improvements being made at Bloxwich Academy

As pupils continue their studies in 2017 we are delighted to share the outcome of our most recent HMI visit conducted on the 13th and 14th December 2016.

The full report which can be found on our website www.bloxwichacademy.co.uk outlines all findings from the inspection team led by HMI Linda McGill emphasising the positive trend of improvement for the provision of teaching and learning and the personal development, behaviour and welfare of all pupils. This is testament to the strong partnership we have forged at Bloxwich with parents, pupils and staff. Indeed Mrs McGill emphasised that, **"leaders and managers are taking effective action towards the removal of special measures,"** and I am confident that we will achieve this goal during 2017. In particular the Inspectors noted, **"the calm working environment that occurs within lessons and the positive relationships that exist between pupils and adults."**

We would like to thank parents and carers for all of their support. Our drive for high expectations, including pupils coming fully prepared for work, whilst on time and in the correct uniform mirrors expectations that will be required long after they leave Bloxwich Academy.

We wish all of you a safe and enjoyable 2017 and we look forward to meeting you during our Parents Evenings throughout the academic year.

Yours sincerely
