

28 April 2017

Dear parents / carers

As part of PE for the summer term 2017, year 5 pupils will be having swimming lessons at the Bloxwich Academy Secondary site. All levels of swimming experience are being catered for as pupils will be put into groups of pupils with similar levels of skills.

This will be on Tuesday mornings. Pupils need to be at school on time, ready for a prompt departure at 9:00am. They will walk to the Secondary site after the register, and will walk back to the Primary site following their lesson. Each lesson will last for 40 minutes.
