Dear Parent/Carer

We are rapidly approaching the end of the academic year. Our current cohort of Year 11 pupils are close to completing their summer GCSE examination series and are in preparation for entry into our Post 16 provision or alternative pathways. This provides your child with an opportunity to start their Year 11 provision early. Research has shown that extra-curricular time within the classroom makes significant improvements in a child's results. Therefore Year 10 will officially start Year 11 provision as of Monday 27th June 2017.

Although there will be no significant disruption to your child's education they will follow Bloxwich Academy's Curriculum Guide for Year 11 pupils. In essence this equates to 6 one hour periods Monday to Thursday. The additional one hour is compulsory.

They will also be sitting a full week of mock examinations starting the week beginning 3rd July. This will provide valuable information as to the progress your child has made this academic year and will be shared with parents/carers before the six week's holiday.

I thank you in advance for your support with the change of times for the school day. We will continue to raise standards at Bloxwich Academy to allow our pupils to 'be the best they can be.'

Yours sincerely

A Seager
Headteacher
