Dear parents / carers

Pupils across the school are engaging in a series of lessons in which they are learning about how to keep themselves safe, and who to talk to if they have concerns or worries. This is part of PSHCE (Personal, Social, Health and Citizenship Education).

Today, pupils in years 1-6 received age-appropriate assemblies in which they learnt about the definitions of 'abuse', and how to keep themselves safe.

Additionally, pupils in years 5 and 6 participated in a workshop facilitated by the NSPCC within their classrooms to discuss this in more detail, including some fictional examples.

All pupils across the school from Nursery to Year 6 will also undertake follow-up work with their class teachers, using resources from the NSPCC's TALK PANTS campaign. Please see the attached flier for more information.

Please contact your child's class teacher in the first instance if you have any queries about this.

Yours faithfully
