

14th December 2017

Friday 15th December 2017 – National Christmas Jumper Day

As part of our continued fund raising activities, pupils and staff will have the opportunity to dig out their favourite festive jumper to support local charities. We would like to invite all pupils and staff to come to school on Friday 15th December 2017 wearing their most festive Christmas jumper over their school uniform (school uniform must still be worn).

To take part, we would like a small donation of £1, with all money raised being sent to local charities designated by The School Council. We do hope that this day will bring some festive cheer and help raise much needed funds for local charities.

I look forward to seeing some of the entries, and will be offering a prize for the most 'Christmassy' Christmas Jumper – remember, school uniform should still be worn under the jumper.
