11th July 2018

Dear Parent/Carer

As we approach the end of the academic year it is still 'all systems go' at Bloxwich Academy.

On Friday 13th July pupils will be involved in our annual Sports Day. We do hope the weather holds out as all pupils will be involved throughout the day. On Monday 16th July pupils will be allowed to wear non-school uniform at the cost of £1 with all monies raised going to named charities that our School Council have chosen. One of the charities is 'The Little Princess Trust' who provide real hair wigs, free of charge, to children suffering hair loss due to cancer treatment. On this day pupils will also have the opportunity to buy a selection of cakes at break time, beat the teacher at a penalty shootout along with other fund raising activities. We are extremely proud of one of our Year 7 pupils, Emily Robins, who is actually having her hair 'chopped' for this cause on the day so hopefully we can raise as much money as possible.

On Wednesday and Thursday (18th and 19th July), all pupils will take part in our Enrichment days, building up to Friday 20th July where pupils will attend the end of year celebration assembly at the end of the school day. I know everyone in Brindley, Stephenson, Telford and Watt are eagerly awaiting to find out which House has come out on top this year!

May I remind parents/carers that every pupil should be in attendance as each day pupils are awarded House Points for their attendance and punctuality; normal lessons take place on Monday, Tuesday and Friday.

Whilst we aim to make these days as fun and exciting as possible, we also insist on our high standards and every pupil is expected to bring in their bag and equipment.

May I thank you in advance for your support of our School Council with all of the fund raising activities.

Yours sincerely

A Seager
Headteacher
