24 September 2018

Dear Parents/Carers

To support your child with their preparations for the SATs assessments, I am going to be running booster sessions focussing on elements of the maths paper.

These sessions will run on a Monday from 3:30pm until 4:30pm commencing Monday 01 October 2018 and finishing at the end of December.

It is vital that your child attends all these sessions to enable them to achieve the results that they deserve and are working so hard for.

Thank you for your continued support.

Kind Regards

A handwritten signature in black ink, appearing to read 'M Hudson', written in a cursive style.

Mr M Hudson
Assistant Headteacher
