21st November 2018

Dear Parent/Carer

Our mission at Bloxwich Academy is to ensure that our young people make the best possible progress in all of their subjects. With this in mind our staff work tirelessly to ensure that the proportion of top grades achieved by our pupils exceeds those obtained nationally. Doing so will ensure that more of our pupils reach their full potential, as those who achieve higher grades at GCSE are proven to make better progress within post-16 education. This will lead to greater access to the best universities in the country, which will ultimately result in higher paid career pathways in the future.

As I am sure you are aware, your child performed exceptionally well in their Key Stage 2 SATS, which were undertaken within Year 6. Indeed, their performance at Year 6 would place them in the top 10% of pupils nationally. I would therefore like to take this opportunity to invite you to attend an information session on Thursday 29th November so that we can discuss how we can best support the progress of your child throughout their GCSEs.

There will be a choice of two sessions available, one in the morning 9.00 - 10.00am or an evening session between 4.30 - 5.30pm. I would very much appreciate it if you would complete and return the reply slip below to reception, indicating whether you can or cannot attend and which session you will be attending.

I look forward to meeting with you.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Martin', is written over a light blue background that features a large, faint gear graphic.

S Martin (Mr)
Assistant Headteacher
