Dear Parent/Carer

I am delighted to introduce myself as the Acting Head teacher of the Primary of Bloxwich Academy. With over 20 years' experience in education, I have worked in different authorities across the Midlands; I am thrilled to be working in this part of the region for the first time.

I had a busy but enjoyable day yesterday, meeting and getting to know everyone in the school community. Your children made an excellent start to the new half term. There were lots of smiling faces and great excitement over our special visitor to School which they may have shared with you last night. Thank you to all Bloxwich parents who ensured their children were in full school uniform, looking very smart and ready to learn.

Please introduce yourself to me when you see me at the school gate - in the morning or after school. I look forward to us working together as we strive to achieve our school motto: 'Be the best you can be.'

Being the Head teacher of a school is a great privilege and I am incredibly excited about the journey ahead.

Yours sincerely
