## LATEST NEWS FROM AROUND THE SCHOOL

### NURSERY

In Nursery last week, we learnt about the story of the Gingerbread man. We read the story and then had a go at decorating our own Gingerbread men. We had to use little icing tubes, smarties and chocolate chips to decorate him. We were extra careful when we made his mouth.

After he was finished we had to eat our Gingerbread men so they wouldn't run away. Our gingerbread men were delicious.

We also learnt how to share out some little gingerbread biscuits. We had to make sure we had the same so it was fair. Then we were all allowed to eat them. Charlie said "I have three and so does Logan and Joey, so that means we can eat them."

### CALLUM WINS CHRISTMAS CARD COMPETITION

A huge congratulations to Callum in Year 4 who was the runner up of Eddie's 2018 Christmas card competition. The competition was run by local MP Eddie Hughes who represents Bloxwich, Willenhall and Walsall North. After receiving over 900 entries, 300 of which came from Bloxwich Primary, Eddie had the tough decision of finding this year's competition winners.

A massive well done and thank you to everyone who entered this year. We would like to thank Eddie for taking the time to come into school and look forward to working closely with him in the future.

## E-SAFETY NOTICE

### Learn about it:

Teach your child some simple rules

- Make sure your child knows not to share personal information like their phone number or email address online
- Only talk to real life friends or family if they are on sites with a social media element like Moshi Monsters or Club Penguin
- Use privacy settings wherever they exist to keep their information private
- Be a good online friend and don't say nasty things even if it's just a joke
- Use secure and legal sites to download music and games
- Check attachments and pop ups for viruses before they click or download anything
- Use Public Friendly WiFi when they're out and about to filter inappropriate content
- Help them to better understand the different online platforms they use and judge the quality and reliability of online resources
