22 January 2019

Dear Parents/Carers

Due to changes in our families' circumstances, there has been a significant decrease in the number of pupils attending Breakfast Club. There are only 2 children using the service on a weekly basis. We did inform parents that we would provide Breakfast Club subject to demand. As there is no longer a need for this provision, we are unable to continue to offer the service as of Monday 25 February 2019.

May I take this opportunity to thank all parents for their support and we apologise for any inconvenience this may cause.

We will review the provision in the summer term with a view to offering this service from September 2019.

Yours sincerely

S Davies
