Dear Friends of Bloxwich Academy,

Thank you very much for your recent donation of 43.9 kg of food and 1 kg of non-food items to the Black Country Foodbank in July 2019, it is very much appreciated.

In 2018 the Black Country Foodbank helped over 16,000 people at a time of crisis and the donations we receive have a significant impact on helping people through difficult times.

We thank you for your continued support.

Yours sincerely
