Dear Parent/Carer

Year 7 'Settling In' Progress Evening
Thursday 7th November 2019
3:30-6:00pm

This occasion gives parents and carers the opportunity to meet their son/daughter's Form Tutor, Head of House and Senior Leaders to find out how they are settling in to our Academy.

There will also be opportunity to meet all subject teachers, to discuss the progress pupils are making in lessons. Upon arrival, reports will be issued, outlining the effort that your child has been making in subjects, both during lesson time and for their homework tasks.

The year group has made an impressive start to the academic year but parental support is of the utmost importance in ensuring your child is successful in making the transition to Secondary school. I look forward to welcoming you to our evening.

Yours sincerely

A handwritten signature in black ink, appearing to read 'A Seager', with a long horizontal stroke underneath.
