SEA/EM/MR/da/extra-curricular activities

January 2020

Dear Parent/Carer

We are writing to invite your child to attend one of our extra-curriculum activities here at Bloxwich Academy.

We value the importance of additional curriculum enrichment and host a variety of extra-curricular clubs. Activities are designed to help and support our pupils by offering opportunities to consolidate classroom learning, enhance self-esteem, engage in social interaction and promote aspirations. Encouraging pupils to extend their thinking, undertake problem solving and experience learning opportunities outside of the classroom has many benefits.

The wealth of opportunities offered at Bloxwich Academy covers a broad spectrum, as identified in the timetable below. We would like to bring particular attention to the daily offering of 'Homework Club', a valuable opportunity for your child to gain personalised support, access materials, equipment and ICT to support their home learning. Homework Club runs from 3-4pm but your child can attend for just part of that time to gain any support they need.

It has been identified that your child may benefit from additional support to accelerate their progress within the curriculum, and we believe the opportunity to attend extra-curricular activities are valuable to support pupil growth, responsibility and independence. The SEND team will also be arranging a games and friendship club which will take place every Tuesday at 3pm-4pm which brings together fun activities and a chance to socialise with peers. To attend any of the clubs timetabled above, pupils must speak to the specified member of staff identified.

Yours sincerely

Mrs E Morris  
Assistant SEND Coordinator
