Dear Parent/Carer,

The uptake of school dinners continues to rise and the catering team work tirelessly to ensure your child has a variety of choices on the menu. Orders are placed during morning registration each day with your child's class teacher.

If your child misses registration due to exceptional circumstances, e.g. an emergency or doctor's appointment, and **will arrive after 9.15am, please contact the school office** to ensure your child is able to receive their choice of dinner.

If the school office does not receive this information before 9.15am the only available menu option the school will be able to provide, at lunch time, will be pasta with a sauce.

Thank you for your support and understanding.

Yours sincerely,

S Davies
