SEA/LB/da/Forest Arts Centre

7th January 2020

Dear Parent/Carer

Forest Arts Centre Theatre Performance

We are delighted to inform you that your child has been selected to take part in an exciting opportunity to experience workshops and live performances as part of the Start Project in conjunction with the Forest Arts Centre and Black Country Dance Hub.

Your child's first performance will take place on Tuesday 21st January 2020 at the Forest Arts Centre. This is a valuable opportunity for your child to perform in a professional theatre and watch other performances which will help to develop their performance skills.

Pupils will leave the academy at 11.00am and travel by minibus accompanied by staff from the academy. The performance will end at 3.00pm. Could you please indicate clearly on the attached consent form how your child will return home from the Forest Arts Centre.

There will be no cost for this trip.

Please return the completed consent form to Main Reception by Friday 10th January.

If you have any queries please see Miss Brunsdon or Mr Evers.

Yours sincerely

A Seager (Mr)
Headteacher
