Dear Parent/Carer

I would like to thank you for your continued support in ensuring our pupils maintain the high standards expected at Bloxwich Academy throughout this half term.

On Wednesday 5th February, the official validated GCSE data was released and I would like to share the results with parents/carers. We can proudly say that Bloxwich Academy is the third best school in Walsall for pupils' making progress. We would like to share that our A level results have remained consistent and that Bloxwich Academy is ranked fourth in the Borough. These are amazing results achieved by our pupils because of the support they have received from the teaching staff and yourselves as parents/carers.

In order to maintain our high standards, I am kindly reminding parents/carers that we expect all pupils to arrive on time for school, at the latest, of 8.45am, in full uniform with a bag, wearing plain black shoes and equipped with the appropriate stationary to enable pupils to access their learning.

I would like to thank you in advance for your support with pupils maintaining their high standards within their classwork but also with pupils completing all their homework assignments too.

I am very much looking forward to watching our pupils develop further when they return on **Monday 24th February, 2020.**

I wish you all a restful and peaceful holiday.

Yours sincerely
