Dear Parent/Carer,

At Bloxwich Academy Primary, we firmly believe that parents make a significant difference to their child's progress through support at home and with learning in school. It is also important that children see their parents at teacher working together for their benefit.

On **Thursday 5th March** we will be opening our classroom doors and hosting an informal parents evening across all year groups. This will be an opportunity for you to get a feel for the educational setting your child enjoys, and to see the work they create both in their books and across the classroom walls. Your child's teacher will also be on hand to answer any quick questions you may have.

We will be welcoming small groups of parents during 30 minute time slots throughout the evening. Please complete the slip below to indicate the time most convenient for you and return this by **Monday 2nd March** so that we can ensure all parents have the opportunity to attend.

Yours sincerely

S Davies
