Dear Parent/Carer

Year 9 Progress and Options Evening – Thursday 12th March 2020

I am writing to remind you that the forthcoming Year 9 Progress and GCSE Options Evening is on Thursday 12th March at 3.30pm - 6.00pm.

It is most important that you attend with your child to ensure that they can prepare to make the right choices in their GCSE Options which will set the way for their future employment. Could I highlight the importance of the evening as it may be there are factors that need discussing which could limit your child opting for a particular GCSE course.

During this crucial evening, you will receive your child's most recent Progress Report you will have the opportunity to discuss their progress with each of their current core subject staff. There will be a presentation to talk through the options process at 3.30pm and again at 5.45pm, whichever is the most convenient for you to attend.

As well as the opportunity to discuss your child's progress, there will also be subject stands set up in option subjects to give information on the GCSE and BTEC courses we will offer for September 2020.

There is overwhelming research evidencing that pupils who receive parental support with their education achieve more highly.

I look forward to seeing you all there.

Yours sincerely
