BTEC Construction	Continuation of the mood board assignment task to be submitted to Mr hall on Tuesday 26/05/20
BTEC Health and Social Care	Respond to feedback of work and complete all fix it tasks and outstanding tasks. Exam prep to commence after half term
Textiles	Task 7-Priscilla Jones Drawing Development-This week you will need to draw simple outlines of the images on the power point slides. The power point is differentiated so you will need to select the appropriate slide. If you want to challenge yourself you can select images from the other slides. These images will be developed into embroidery samples when you return to the academy.
Hospitality & Catering	<p>Complete the last two sections of your AO3 booklet - Customer safety and Fire prevention</p> <p>Complete the new revision quiz on Forms. Mr Evers will email a link for this.</p> <p>Practical - As it is not always possible to get ingredients for recipes that are specified there is now a practical choice grid in the Hospitality & Catering folder. This includes all of the different commodities that pupils have to learn to work with. I have also given suggested dishes based upon skill level. There are links to recipes as well. Pupils should cook with at least one commodity each week. However there is no reason why they can not help cook at home daily.</p>
BTEC IT	Start learning on component 2A by completing tasks on Google classroom (Powerpoint and Word document)
BTEC Childcare	Complete the tasks on google classroom recapping on how play can be organised to promote learning.
PSHE	Log in to www.smashed-online.com using the personal account you have created and watch episode 2 'The Facts about Alcohol'. Here you will explore the consequences of underage drinking, and the myths surrounding alcohol. If you have not yet set up your log in or you experience any difficulties please refer to the guidance sheet in the PSHE folder.
