

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>At Bloxwich Primary School all children participate in two hours of high quality PE lessons each week. Further to this we are committed to ensure children take part in at least 30 minutes of physical activity every day, through lunchtime and playtime activities as well as after-school sports clubs. We also aim to give all pupils the opportunity during their time at Bloxwich, to represent our school at local/regional level through the School Games programme. This year our main focus for Sports Premium was to ensure staff knowledge and skills were at the highest level. To ensure this we hired a sports coach to work directly with teachers to provide quality CPD. Pupils benefited from well structured, sequential lessons that focused on skills, whilst taking part in a variety of sports</p>	<p>For the academic year 2020/2021 our focus is on implementation of our new PE curriculum and to ensure the percentage of children achieving the required standard for swimming is above the national average.</p>

Meeting national curriculum requirements for swimming and water safety.	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	37%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	29%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	31%
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Children to be able to take part in competitive sports at local/regional level. We aim that all children at Bloxwich Academy will have the opportunity to represent the school during their primary school life.	Minibus to and from competitions		From September 2019 through to March 2020, Bloxwich Academy took part in 10 inter-school competitions giving over 30% of KS2 pupils the opportunity to represent the school. Competitions varied greatly from skipping to cross country. Girls and boys of all abilities took part. We were also able to take part in a football competition specifically aimed at those children with mild/moderate learning needs providing great experiences for these pupils.	Children will continue to attend competitions during their time at Bloxwich Academy.
