Dear Parent/Carer

Re: A-Level Mathematics Calculators

I am writing to advise you that students are required to have their own scientific calculator to use in all their Mathematics lessons when completing the A-Level Mathematics course.

The approved calculator that has been recommended by the exam board is the Casio FX 991EX-S at a cost of £28.

As a department we have purchased the calculators that will be loaned to students for the duration of the course as this is an essential piece of equipment that will be needed in every lesson. If students misplace or break the calculator, there is an expectation that students will have to buy a replacement.

Please can you complete the slip below, this will be used to secure your child's calculator.

Thank you for your support.

Yours sincerely

A Seager (Mr)
Headteacher

A Keyte (Miss)
Director of Mathematics

Please return slip to Miss Keyte or Dr Sears.

I, _____ (name of parent/carers) agree to my child
_____ (name of student) loaning the Casio FX 991EX-S calculator.

I understand that should the calculator be lost or damaged by either graffiti or misuse then I will be responsible for the purchase of a new one at the cost of £28.

Signed: _____ Date: _____
