

AS/jaj – BTEC Examinations

7th January 2021

BloxwichAcademy
www.bloxwichacademy.co.uk

Dear Parent/Carer

I hope that this letter finds you safe and well.

In light of the government's decision to close schools for face-to-face teaching and move to online learning, I can confirm that all external vocational exams at Bloxwich Academy will be cancelled in January and February. I can assure you that no child will be disadvantaged by this, and all pupils will get the grade that they deserve at the end of this academic year.

The government has not yet confirmed what evidence will be required in support of teacher-assessed grades. In light of this, it is vitally important that all pupils continue to work on their coursework. Their teachers will be in contact through Microsoft Teams to explain what work needs to be completed.

Please do not hesitate to contact the academy via email at postbox@bloxwichacademy.co.uk or via phone on 01922 710257 if you have any questions or concerns.

Many thanks.

Yours sincerely

A handwritten signature in black ink, appearing to read 'A Seager', written over a horizontal line.

Mr A Seager
