Dear Parent/Carer

Firstly may I thank you for your continual support with the return of all pupils to the Academy.

The last twelve months have been incredibly difficult for all of us when dealing with lockdowns, remote learning and adapting to all social distancing measures. This has had a massive impact on all our children both academically and emotionally.

For our pupils in our current Year 10 who are now well underway with their GCSE studies, it is vital that we catch up on lost learning time. With this in mind we are introducing an additional Period 6 during the summer term, Monday-Thursday for all Year 10 pupils. This will commence from Monday 19<sup>th</sup> April 2021.

The additional lesson will enable staff to have face-to-face contact and ensure any lost learning is addressed. The introduction of Period 6 normally happens when pupils start Year 11, however, I am sure you will all agree that we have not got time to waste due to the circumstances our pupils have faced.

We believe that pupils will benefit with the additional lesson and I am sure everyone will appreciate this when they receive their GCSE results in 2022. The additional lesson is compulsory for all pupils in Year 10. At Bloxwich Academy we want to do everything possible to ensure our pupils can 'be the best they can be' and I would like to thank you in advance for your support in this matter.

If anyone has any queries or questions regarding the additional lessons please contact [postbox@bloxwichacademy.co.uk](mailto:postbox@bloxwichacademy.co.uk)

Yours sincerely
