Dear Parent/Carer

I am delighted and honoured to introduce myself as the Headteacher of Bloxwich Academy and my staff and I are looking forward to welcoming your child into our Year 7 Cohort in September 2021.

I am writing to you during very troubled times but I, like so many of you, are hoping to return to some form of normality in the not too distant future. I therefore anticipate that our Transition Day and Transition Evening will go ahead as normal this July where we will share key information regarding your child's admission in September. In addition to the transition days we will be offering a Summer School to further ensure a successful transition from Year 6 to Year 7. I will write to you again once the dates have been finalised.

We firmly believe that high achievement for each and every pupil is a shared responsibility, we have made great strides moving forward in recent years and we look forward to guiding your children into a successful future.

The website (<https://bloxwichacademy.co.uk/>) is an important platform used to communicate and share key information. It also provides us with a wonderful opportunity to showcase and celebrate the life and work of our pupils.

We know that you have chosen Bloxwich Academy for your child as you support our values and ethos of "Be the best you can be" and we look forward to working with you over the next seven years while your child is at Bloxwich Academy.

Yours sincerely

A Seager  
Headteacher
