Tuesday 13th July 2021

Dear Parent/Carer,

I hope this letter finds you and your family well.

As you are aware, we have recently had to send a number of our bubbles home to isolate after receiving confirmation of positive cases within our school community. I completely understand how disappointing this is for parents and pupils, and we too are all upset that we cannot fully enjoy the time left before the summer holidays with our children.

Due to the majority of our children now being in isolation, and because of the increasing spread of the virus within the local area, we have taken the decision to rearrange all 'Good to be Green' activities that were due to take place this week until September. We believe it would be better to kick off the new academic year with an exciting, fun filled range of events that all pupils will get to enjoy. Letters will be sent out to parents in September with full details along with a consent form to complete.

We know that by September, our Year 6 pupils will have moved on to Secondary school, so we want to assure parents that we are looking into what we can do on their final day at Bloxwich Academy Primary to make it as special as possible. We will be in touch very soon with our plans for Tuesday 20th July; watch this space!

I would like to take this opportunity to advise that Bloxwich Academy Primary will be **closing at 1.15pm on Tuesday 20th July**. Please also see below confirmation of when each isolating group should to return to school:

Nursery, Reception, Class 4SB and Year 5 – Monday 19th July
Years 1, 2 & 6 – Tuesday 20th July

With the isolation and bubble rules set to change in time for the next academic year, we really do hope that we will see an end to these challenging situations that cause so much uncertainty for us all.

Yours sincerely,

Ms. S. Shepherd
Headteacher
