

See the little bunnies sleeping till it's nearly noon
Shall we wake them with a merry tune?
Oh how still, shh, are they ill?
Wake up soon, it's nearly noon

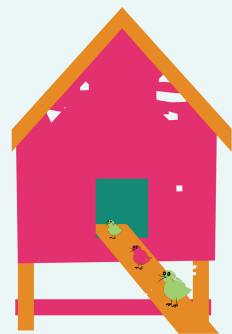

Wake up little bunnies!

Hop little bunnies hop hop hop
Hop little bunnies hoppitty hop
Hop little bunnies hop hop hop
Hop little bunnies hop and stop

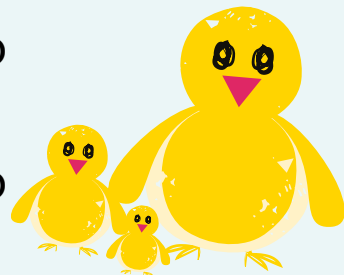

See the little chicks sleeping in the morning sun
Shall we wake them with a tickle on the tum
Oh how still, shh, are they ill?
Wake up soon, it's nearly noon

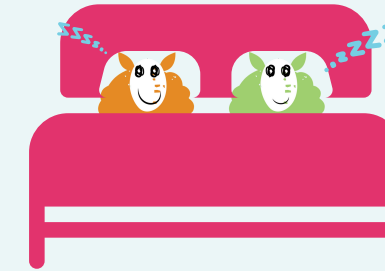

Wake up little chicks!

Cheep little chicks, cheep cheep cheep
Cheep little chicks, cheepitty cheep
Cheep little chicks, cheep cheep cheep
Cheep little chicks, cheep and sleep

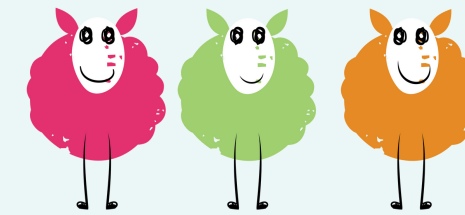

See the little lambs sleeping in a little huddle
Shall we wake them with a tickle and a cuddle
Oh how still, shh, are they ill?
Wake up soon, it's nearly noon

Wake up little lambs!

Skip little lambs, skip skip skip
Skip little lambs, skip and leap
Skip little lambs, skip skip skip
Skip little lambs, skip and slee

See the little babies they'll all snug and fast asleep
Tiptoe quietly and take a little peep
Too tired to play, it's the end of the day
Shh softly creep, they're fast asleep

Wake up everybody!

Skip little lambs, skip skip skip
Cheep little chicks, cheep cheep cheep
Hop little bunnies hop hop hop
Hop little bunnies hop and stop
