13th October 2022

Dear Parent/Carer,

At Bloxwich Academy, E-Safety plays an important role in keeping our children safe online. As part of our on-going commitment to improve internet safety with our students, you are warmly invited to an **E-safety Awareness Workshop on Thursday 20th October 2022 between 3:00pm and 3:30pm**. Please enter through the Library Doors.

To ensure you receive all the information needed, we will start the meeting at 3:00pm to discuss E-Safety information and then at 3:15pm your child/children will be sent to the hall to join you for the rest of the meeting. This is where you can see what your child already knows and how we can support you to develop this further.

We recognise the difficult challenges young people can face online. We aim to provide children, and parents, with as much key information as possible to empower them to be safe users of the internet and mobile devices. The main purpose of the workshop will be to learn about specific online concerns and dangers, which your child may face or be exposed to, and to find out how you can minimise the risks.

We hope at the end of the workshop you have a greater understanding and knowledge of the dangers children may face, and know where to go for help and advice if you have concerns.

If you are interested in attending this workshop, please fill in the form below and hand it to your child's teacher. Please put your child's name(s) and class(es) on the form so they can join you at 3:15pm in the hall.

Yours sincerely

Ms. S. Shepherd
Headteacher
