

Ref: ESafetyWorkshop/RW

1st February 2023

Dear Parent/Carer,

Bloxwich Academy

www.bloxwichacademy.co.uk

At Bloxwich Academy, E-Safety plays an important role in keeping our children safe online. The last E-Safety meeting in October was a huge success and feedback from parents highlighted how important it is to be aware of the dangers online; therefore, we are running this workshop again.

As part of our on-going commitment to improve internet safety with our students, you are warmly invited to an **E-safety Awareness Workshop on Wednesday 8th February 2023 between 2:45pm and 3:15pm**. Entry will be through the Library Doors.

To ensure you receive all the information needed, we will start the meeting at 2:45pm to discuss E-Safety information and then at 3:00pm your child/children will be sent to the hall to join you for the rest of the meeting. This is where you can see what your child already knows and how we can support you to develop this further.

We recognise the difficult challenges young people can face online. We aim to provide children, and parents, with as much key information as possible to empower them to be safe users of the internet and mobile devices. The main purpose of the workshop will be to learn about specific online concerns and dangers, which your child may face or be exposed to, and to find out how you can minimise the risks.

We hope at the end of the workshop you have a greater understanding and knowledge of the dangers children may face, and know where to go for help and advice if you have concerns. If you are interested in attending this workshop, please fill in the form below and hand it to your child's teacher.

Yours sincerely,

Ms. S. Shepherd
Headteacher

E-safety Awareness Workshop – Wednesday 8th February

I would like to attend the E-safety Awareness Workshop. My child(ren), listed below, will need to be sent to the lower hall at the end of the school day to join me:
