Dear Parents/Carers,

England Footballer Bex Rayner Visit

On Friday 10th March 2023 Sports for Champions will be running a sponsored event in school. Not only will it raise funds for school, but it is also used to help unsponsored athletes who have no funding. The sponsorship raised is used to support athletes' living and training costs as they train 35+ hours a week and do not have a regular income. With your help they will be able to commit as much time as possible to their sport and be able to cover travel, equipment and medical costs.

Postcard and poster rewards are given to say thank you to children for all their hard work fundraising. We understand that not all families are able to raise money for a variety of reasons, and therefore stickers are awarded to every young person so that no one is left out whether sponsored or not.

We would like all sponsorship forms and money to be returned to school by Tuesday 28th February.

Bex Rayner is a very talented footballer and has played for England Women's squad since she was 15. When she visits school, she will lead an exciting fitness circuit and will present an inspirational presentation about her career. Bex will give a football demonstration and then finish with a question and answer sessions to give all children an opportunity to ask her any questions they may have.

Yours sincerely,

Ms S. Shepherd
