Dear Parent/Carer

I am writing to inform you of your child's upcoming formal mock examination series which will commence on Tuesday 4th July for two weeks.

- This is an extremely important opportunity for your child to understand their current level of achievement in their GCSEs.
- Revision materials are being supplied by all subjects and I encourage you to support your child in completing a moderate amount of revision for the series.
- Please discuss the importance of these exams with your child – the results of which will help teachers plan how best to support pupils in Year 11.
- The results of these examinations will be shared with pupils and their families on return from the summer break.
- All pupils have received a personalised timetable for the duration. Where pupils do not have an exam, they will be attending their normal lessons.

I thank you for your ongoing support and look forward to working together to support the year group as they prepare to embark on the final year of secondary education.

Yours sincerely
