The Post 16 Induction Programme

As part of your preparation for joining us as a post 16 student, you are required to attend a **two-day taster event**. You will attend lessons in all of your chosen A Level/Btec Level 3 subjects on both days and take part in typical sessions and activities that you can expect once you begin your courses full time in September. It will also help you to decide if the courses you've chosen to study are the right ones for you.

Our two-day post 16 taster event will be on **Tuesday 11th and Wednesday 12th July**. The programme for both days is shown below:

Tuesday 11 th July	Tuesday 12 th July
10.30am- Taster Day introduction (main hall)	10.10am- Block C taster lesson
11.10am- Break	11.10am- Break
11.30am- Block A taster lesson	11.30am- Block D taster lesson
12.30pm- Block B taster lesson	12.30pm- Assembly and evaluations
1.30pm- Finish	12.45pm- Finish

The dress code for the taster days is smart casual. Jeans are acceptable but more casual clothing (such as tracksuits or loungewear) are not. Please ensure your clothing and appearance is suitable for attending school (no crop tops, caps, facial piercings, etc.) Please do not arrive at the academy any earlier than the start time shown above for both taster days, enter the academy through the reception gates and go straight to the main hall.

The Induction Programme will then continue during the first week of the Autumn Term and this will give you an opportunity to gain more information about the transition into higher level studies. It will also give you the opportunity to meet your form tutor and all of your subject teachers. **However, please remember that this offer of a place in post 16 is conditional and subject to your attendance to the taster day, your GCSE results in August and to you meeting the entry requirements for specific subjects.**

We look forward to welcoming you to the post 16 taster days.

Yours sincerely,

Mr Patel
UCAS officer

Mr Martin
Deputy Head teacher, Post 16
