Dear Parent/Carer

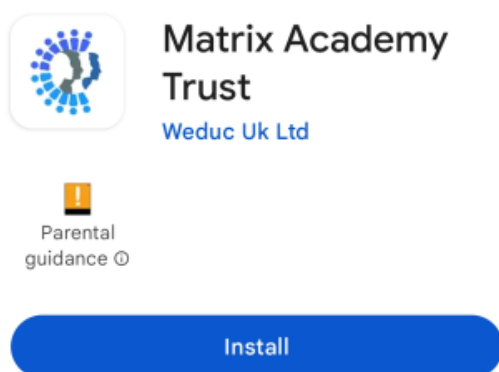

**Bloxwich Academy**  
'Be The Best You Can Be'

From September 2023, the way we communicate with you will be changing.

A new Matrix Academy Trust App has been created which will allow two-way communication between parents and Bloxwich Academy Primary. This is where you will now receive all messages about what is going on in school, links to newsletters and questionnaires, and will also be where you will make payment for your child's lunches and any trips you wish for them to attend.

You can find the app in your mobile device app store, and it looks like this:

Within the next few weeks you will receive an email or message stating your child is enrolled – please follow the instructions and sign in to your child's account through the app. If you do not plan on making payments, please still download the app as this will be where you will receive all messages going forward; we will no longer be using the text message service.

Yours sincerely,

Ms. S. Shepherd  
Headteacher
