Dear Parent/Carer

I trust this letter finds you safe and well.

As you will be aware, we are always looking for more effective ways to keep our parents informed and engaged in their child's learning journey. With new technology constantly being released, it's important that we provide you with the most effective, yet simple to use tools available.

We are excited to announce that we have now invested in Weduc, a new digital communication and engagement tool that has been designed specifically to improve the way that parents/carers and school staff communicate.

From September 2023 Weduc will replace our existing communication and WisePay payment system. Any money in your child's WisePay account will be automatically transferred to your new Weduc account.

All parents/carers will receive a welcome email/SMS followed by an enrolment message, please follow the guidance below to set up your account.

In order to benefit from this new tool please follow the simple steps outlined below. Instructions for Android/ iPhone devices:

Step 1: Download the Weduc app onto your phone/tablet via your relevant App store.
