10th November 2023

Dear Parent/Carer

At Bloxwich Academy, our Anti-Bullying ethos plays an important role in keeping our children safe from victimisation, whether this be online or in person. As part of our on-going commitment to ensure bullying does not happen within our school community, you are warmly invited to an **Anti-bullying workshop on Thursday 16th November**.

The workshop will start at 2:15pm and we will discuss our policies and procedures with parents. At 2:45pm, your child/ren will be sent to the hall to join you for the rest of the event. This is where you will be able to complete an activity with your child so that you can see what your child already knows about bullying, and how we can help support you to develop this understanding further.

We recognise the difficult challenges young people can face online and in school. We aim to provide children, and parents, with as much key information as possible regarding Anti-bullying and that bullying is not right. The main purpose of the workshop will be to understand:

- What is bullying?
- What main roles are involved in instances of bullying?
- How is bullying different to rude or mean behaviour?
- What do we do if we are to witness or subjected to rude, mean or bullying incidents?

We hope at the end of the workshop you have a greater understanding and knowledge of anti-bullying, and know where to go for help and advice if you have concerns.

If you are interested in attending this workshop, please fill in the form below and hand it to your child's teacher. Please put your child's name and class on the form so they can join you at 2:45pm in the hall. Entrance will be via the Library doors.

Yours sincerely

Ms. S. Shepherd
Headteacher
