'Be The Best You Can Be'

Dear Parents/Carers,

As you know, Reading is one of the three main pillars of a child's Primary education. The skill of reading is essential in everyday life and supports learning within other subjects across the curriculum. It helps children make sense of the letters, words, vocabulary and thoughts and feelings they see in the world around them, and makes a vital contribution to their development as successful learners.

We want to work with parents to ensure that our children are given every possible opportunity to embed and utilise the reading they learn in school, and to really appreciate and engage in this foundation subject.

On **Thursday 30th November 10.35 – 11.15am**, Miss Jones and Miss Vincent will be holding a **Year 3 reading session**. The aim of the session will be to provide parents with helpful ways to support their children's reading comprehension skills during their daily reading opportunities at home. The session will be in a normal class setting so parents will be given the opportunity to sit with their child and see different reading techniques and strategies used in order to help children to understand what they are reading.

If your child is currently on our Read Write Inc or Fresh Start programmes, we will unfortunately not be able to accommodate you sitting with your child for the session but you are more than welcome to come and sit in on the reading lesson to still use the strategies taught at home.

Unfortunately, due to space, we are only able to allow entry to one parent per family.

We look forward to seeing you there!

Yours sincerely,

Ms S. Shepherd
Headteacher

Year 3 Reading Session

Child's Name: _____ Class: _____

I would like to attend the Year 3 Reading Session
