Bloxwich Academy

www.bloxwichacademy.co.uk

Dear Parent/Carer

Following our examination outcomes in the summer of 2023, we are proud to receive information from the school's Inspection Data Summary Report, from the Department of Education. These results are testament to the hard work of both our pupils and staff.

This published information reviews the attainment of pupils at Bloxwich Academy compared to other pupils in different schools in England.

Bloxwich Academy achieved a progress 8 score of +0.34 making it one of the highest achieving (non-selective) secondary schools in Walsall! This means that pupils performed significantly better than their target grades in many subject areas.

In summary, across the range of subjects studied including English and Mathematics, pupils who attend Bloxwich Academy performed in the top 20% of pupils nationally at GCSE level. As you can imagine we are all very proud of this. These fantastic results have ensured that our pupils have the best possible start in sustained education, employment or training post-16.

Our high outcomes in progress, are testament to the hard work of my teachers. In these challenging times of teacher recruitment and retention, I am proud that every pupil who attends Bloxwich Academy is taught by a dedicated teacher whose aim is to ensure that all our pupils strive to 'Be the Best They Can Be.'

With our broad and balanced curriculum, and high expectations we are proud of how we stretch and challenge all our pupils both academically and through our BLOXWICH values.

I would personally like to thank all our parents for supporting the academy in the decisions we make and assisting your child at home with home learning, exam preparation and other activities. I know that this important relationship with all our parents adds to the success of our young people.

I would like to thank the teachers and education support staff for all they do for our pupils.

Yours sincerely
