19<sup>th</sup> December 2023

Dear Parents/Carers,

**Bloxwich Academy**  
'Be The Best You Can Be'

On **Thursday 21<sup>st</sup> December 2023**, Year 2 will participate in a DT project where children will have the opportunity to explore different types of foods, develop their taste buds and try a range of textures and flavours. It is an engaging and educational experience that encourages creativity and fosters a deeper understanding of the world of food.

We completely understand that some parents may prefer their child not to participate in the taste-testing activity. If you do not wish for your child to taste test foods in school, please inform us by returning this slip.

We also kindly request that parents inform us of any allergies their child may have; it is crucial for us to ensure the safety and wellbeing of all our students during this activity. Your child will be able work with a partner and ask them questions about the food if they cannot taste it themselves.

**Food involved:**

A range of fruit and vegetables  
cereal, biscuits and chocolate  
Meringue and whipped cream  
Mint and sugar

If you have any other concerns or queries regarding DT project, please do not hesitate to get in touch with Year 2 teachers.

Yours sincerely,

Ms S. Shepherd  
Headteacher

**Year 2 Food Tech Project**

Child's name: ..... Class: .....

I give permission for my child to taste the foods that will be used during this activity

My child has the following allergies: .....
