6<sup>th</sup> December 2023

Dear Parents/Carers,

We are delighted to invite you to a special parent and child workshop focusing on our Mathematics lessons. This workshop is designed to provide valuable insights into your child's Mathematics education and the exciting activities they engage in during their learning journey.

**Date: Wednesday 13th December 2023**

**Time: 11.15 am**

**Location: Enter via the Year 2 Library door.**

During the workshop, your child will have the opportunity to showcase their mathematical skills through engaging and practical activities. We encourage parents to participate alongside their child, fostering a collaborative and enjoyable learning experience for all. This hands-on approach will allow you to better understand the key concepts taught in our Mathematics and explore creative ways to support your child's learning at home.

**The workshop aims to:**

1. Inform you about the curriculum and topics covered in our Mathematics lessons.
2. Illustrate the teaching strategies and techniques used by our dedicated educators.
3. Offer practical activities for a better understanding of Maths concepts.
4. Encourage parental involvement in supporting your child's Maths learning journey.

To ensure we adequately prepare for the event, please complete the attached slip on this letter to confirm your attendance.

We look forward to welcoming you and your child to this exciting workshop and exploring the wonders of Mathematics together.

Yours sincerely,

Ms S. Shepherd  
Headteacher
