Dear Parent/Carer

We have an exciting opportunity for Year 11 pupils to take part in additional revision session for the Summer Exams from Monday 25th March to Thursday 28th March from 10am-2pm.

Bloxwich Academy are working with the Walsall Easter Holiday Programme. We have planned a fantastic opportunity to support pupils with their last-minute revision through a Free Easter Revision Programme. Each day will run from 10am-2pm. Pupils will be provided with a snack and a hot lunch free of charge.

In the morning, pupils will have the chance to work with specialist teachers over the Easter break to cement the focus areas of knowledge, which can be applied to their exams in May. Not only this, in the afternoon, they will have an option of enrichment activities, continue their revision, or take part in a sporting activity.

On Thursday 28th March, Bloxwich have arranged for an indoor inflatable assault course and an inflatable disco hub to be on site. This will allow pupils to wind down and enjoy their time with their peers following the hard work during the week. For access to the revision sessions, it is a requirement that you register through the Walsall Holiday Activity programme. Please see below for information regarding this.

Walsall Holiday Activity Programme.

Your child is currently registered as free school meals within the Local Authority. This could be an historical registration which can remain valid for up to three years.

As a result of your child being on the current list, this means that they qualify for a scheme called the Walsall Easter Holiday Programme.

This scheme is for children and young people aged 5-16 who live in Walsall, and will enable them to access free activities throughout the summer holidays. The scheme is fully funded by the Department for Education Holiday Activities and Food programme.

You should have received a postcard through the post, providing you with details on how to apply for the scheme.

To register for the scheme please follow this link and input your child's unique code.

[Register for HAF 2024 | Walsall Council](#)

If you have not received the code through the post, can you please email wr4c@walsall.gov.uk to obtain your child's code.

Once you have received your code, can you please notify Miss Williamson at Bloxwich Academy. Using this code, we will then be able to register your child for the revision scheme.

If you have any questions, please don't hesitate to contact the school.

Yours sincerely
