EDUCATION **WITHOUT EXCEPTION**

Dear Parents/Carers,

Mr Seager has decided to leave the academy and we wish him well for the future.

We are delighted to announce that Richard Prime has been appointed as Headteacher of Bloxwich Academy. Many of you will remember when Mr Prime was on the leadership team at Bloxwich before he moved to support Turves Green Boys' School and being appointed Headteacher at Dame Elizabeth Cadbury School.

Mr Prime will commence his role as Headteacher on the 19th February and has asked for the following statement to be shared.

"I am thrilled to assume the role of Headteacher at Bloxwich Academy and eagerly anticipate the exciting journey ahead. Our shared commitment to your child's education is most important, and I am enthusiastic about fostering a positive and collaborative relationship with each and every one of you.

"I have very fond memories of my six years previous experience at Bloxwich Academy. It has been heart-warming to return and see again so many pupils who I knew before, many of who are now in the sixth form or about to embark on their GCSEs.

"I have incredibly high standards for behaviour and attitudes to learning. These will ensure our pupils achieve success in the wider world and beyond. For this to be successful, it is crucial that school and home work together.

"I look forward to working alongside you all."

I would like to reiterate the information shared to parents and carers on 10th January 2024. We expect staff and our school community to maintain our high standards at Bloxwich Academy. I would also like to remind parents and carers of the expectations we have for our students using social media. Any breaches of these standards will be dealt with very seriously.

Have a lovely half term and please find a link to [our newsletter here](#).

Kind regards

Ms L Draycott
CEO
