Dear Parent/Carer

Saltmine Production - Filters

The Department for Education requires us to deliver the statutory guidance for Relationships, Sex and Health Education (RSHE). This, alongside other key areas such as RE, Citizenship and Careers, makes up our personal development curriculum which is delivered at all Key Stages through assemblies and form time activities.

As part of this curriculum, we will be looking at pupils' safety online and how they are able to protect themselves when using social media. Pupils will have the exciting and informative opportunity to work with the Saltmine Trust. This will take place in school on Monday 19th February and Tuesday 20th February 2024. They will experience a performance and have an interactive workshop to support their understanding of safety in the digital world.

Details of our RSHE Policy can be found on our website. This content is now statutory and forms a key part of our provision at school.

Should you have any queries, please contact Miss Williamson in school.

Yours sincerely
