Dear Parent/Carer

I am writing to provide you with information regarding the forthcoming mock examinations that your child will sit after half-term. The dates of the mock examinations for Year 11 are as follows:

Mock Examinations Series 2: 19th February to 8th March

As your child is now quickly approaching their final public examinations which begin in May, it is vital that they are fully prepared. Your support in encouraging your child to plan and revise for these exams both over the weeks leading up to these mock exams and during the half-term break is both vital and very much appreciated.

Pupils have been given information about the knowledge and skills required, the success criteria and the topics to revise. All of this information is provided in order to help them succeed and to help them to focus their revision. Staff will also advise pupils of additional revision resources, including online platforms that they can access to support their preparation.

Please also ensure that your child has the correct equipment for these exams and attends all required intervention sessions. I would strongly encourage your child to take advantage of the revision sessions offered by staff during the half-term break as detailed below:
