RPR/JMO/hb/Student Finance

18th March 2024

Dear Parent/Carer

On **Thursday 11 April 2024** we have the opportunity for students and parents from Years 12 and 13 to meet with the Student Finance Team from Aston University. This will provide you with the chance to ask questions about the applications process, understand in more detail how student loans are repaid and to ask individual questions to the team. Student finance applications for 2024 are currently open so you may have started the application process.

Whilst this is being presented by Aston University, the information is relevant regardless whichever university you are applying to, however, they cannot offer financial advice.

Please arrive at school for **3.15pm** and meet your child for the meeting in the main hall which will start at **3.30pm**. The session will last around 1 hour.

Prior to the session, Year 12 will be involved in the personal statement writing session with the team from Aston.

To enable us set up the room, please can you confirm via your child how many people will be attending.

Yours sincerely
