Dear Parent/Carer

The Department for Education requires us to deliver the statutory guidance for Relationships, Sex and Health Education (RSHE). This, alongside other key areas such as RE, Citizenship and Careers, makes up our personal development curriculum which is delivered at all Key Stages through assemblies and form time activities. As part of this curriculum, we are required to teach pupils about sensitive topics surrounding their development including Female Genital Mutilation, Gender Identity, Pornography and Sexual Harassment.

To support and reinforce these messages, we are excited to invite Raise Education into Bloxwich Academy on Monday 15th April to provide external support to deliver the important content required by the statutory guidance. The programme of study will be as follows:-

Year 7	Female Genital Mutilation
Year 8	Healthy Relationships and Gender Identity
Year 9	Pornography and Sexual Harassment
Year 10	Female Genital Mutilation and the law surrounding sexual relationships

Details of our RSHE Policy can be found on our website. This content is now statutory and forms a key part of our provision at school. Should you have any queries, please contact Miss Williamson in school.

Yours sincerely
