'Be The Best You Can Be'

12th April 2024

Dear Parent/Carer,

WOW Day – Coastlines

This term year 2 children will be looking at Coastlines within their Geography topic, within that topic we will be exploring the world's seas and oceans and learning about their locations using maps. They will also find out about directions on a compass. They will learn all about the human and physical features of a coastline, including the effects of erosion and how to stay safe when visiting the coast. They will have the opportunity to learn about the work of the RNLI, what happened to the **SS Rohilla** and about the coastal town of Whitby, including how Captain Cook is linked to the town. They will research the tourism industry and consider what makes a place a successful tourist destination

On **Thursday 18th April**, the children in year 2 will be having a whole day dedicated to the start of our topic that will hook the children in. To engage the children and give them a memorable and realistic experience, we would like the children to dress up as if they are on holiday so bright clothing/beach style outfits

Yours sincerely,

Ms. S. Shepherd
