Dear Parent/Carer

### **Year 8 Virtual Progress Evening**

Please note that the virtual Progress Evening for Year 8 will take place on **Thursday 25th April 3:30 pm - 6:30 pm.**

During the virtual event, you will have the opportunity to discuss the progress your child is making in each of their subjects and their attitude towards learning.

### **Important change to process for booking appointments**

Whilst **School Cloud** will continue to serve as the platform for booking and conducting appointments, parents and carers will no longer require a separate login or PIN code for the system. The School Cloud software can now be accessed directly via **Weduc** by following the simple steps outlined overleaf.

If you are yet to set up your **Weduc** account, please note that an enrolment email has been sent to the email address registered with the school and instructions are contained therein.

Please be advised that the system is now open to make appointments. We expect the event to be popular and highly recommend early booking to avoid disappointment.

Should you require any assistance with booking appointments, please contact your House Office or email [postbox@bloxwichacademy.co.uk](mailto:postbox@bloxwichacademy.co.uk)

### **Logging onto Schoolcloud via Weduc**

- Log on to your Weduc account as normal
- Select the name of your child
- Select the 'Parents evening booking' icon
- This will transfer you directly to your personal School Cloud booking page for the event

- Continue with normal steps to book appointments. A reminder that the 'automatic' function can generate all your appointments and that you are able to set your personal time preference.
