Dear Parent/Carer

The Department for Education requires us to deliver the statutory guidance for Relationships, Sex and Health Education (RSHE). This, alongside other key areas such as RE, Citizenship and Careers, makes up our personal development curriculum which is delivered at all Key Stages through assemblies and form time activities.

As part of this curriculum, Bloxwich Academy pupils are working on Citizenship in their PSHE lessons. During this time, they are learning about the voting system, political structure and the justice system.

Our curriculum intent focuses on our pupils making valuable and informed contributions to society and we are developing pupil's knowledge of the choices they can make when they embark on their journey. To support this, pupils are learning about the General Election and the voting system. Pupils will be provided with information regarding the process and each of the main political parties and their campaign manifestos. This will be done impartially to ensure pupils can make their own informed decisions.

On Thursday 4th July, pupils will be provided the opportunity to take part in the schools' general election. This will not be mandatory and pupils will be given the choice to vote.

If you have any questions regarding this, please contact the school at postbox@bloxwichacademy.co.uk

Yours sincerely
